

INDIVIDUAL CONSENT STATEMENT

For MAFFS and Rescue

I, the undersigned, a member of the California Air National Guard, having been assigned to duties in the California Air National Guard which, on occasion, may require me to be called to active duty in a federal status under the authority of Section 12301(d), Title 10, to perform duty in support of aerial firefighting missions including Airborne Fire Fighting System (MAFFS), or to participate in rescue operations requested by the USAF Rescue Coordination Center, do hereby give my consent on a continuing basis to be called to such active duty. My consent is given voluntarily, without reservation, and with a full understanding of the need and circumstances related to the active duty requirement.
